## SustainMV 2025 – Online

from 19<sup>th</sup> of August to 21<sup>st</sup> of August

SustainMV is a Sustainability Summer School jointly presented by all Universities of the German federal state Mecklenburg-Vorpommern (MV). The overarching theme for this unique event is sustainability in all subject fields. Academics from all MV universities, who are all experts in their respective fields of sustainability, present their work and research. The focus is sustainability in the fields of Tourism, Renewable Energies, Digital & Technological Innovations, Recycling & Waste Management, Ecosystems and Social Sustainability. It consists of an online and an on-site part in Mecklenburg-Vorpommern.
